

**WFOR-TV QUARTERLY ISSUES/PROGRAMS LIST**  
**APRIL 1, 2010 THROUGH JUNE 30, 2010**

Attached are listings of broadcasts or broadcast segments that, in the Station's judgment, reflect the Station's most significant programming treatment of ascertained issues during the preceding three-month period. During the preceding quarter, the Station also broadcast CBS Network programs such as 60 MINUTES, FACE THE NATION, and 48 HOURS. Additionally, the Station produced and broadcast a series of weekly EcoZone reports focusing on local businesses and individuals that are making a commitment to becoming more environmentally savvy. In addition, the Station produced and broadcast a "Community Calendar" and public service announcements promoting local community events and campaigns. Also, the Station produced and broadcast a series of NEIGHBORS 4 NEIGHBORS segments encouraging viewers who need help and those who want to help to call a telephone hot line staffed twelve hours daily. Each 30-second segment is placed in a random rotation ranging from one week to several months, depending on the topic, need and response. All of these programs are part of the Station's plan to address issues of concern to viewers.

NEWS & VIEWS WITH ELIOTT RODRIGUEZ – A half-hour weekly public affairs program that provides a review of the week's top local news developments and features interviews with local newsmakers. Broadcast dates and times as indicated in the report.

CBS4 NEWS FEATURE REPORTS – Specials and series reports focusing on important local issues. These reports air during selected CBS4 News broadcasts. Duration: Each part is approximately three minutes. Broadcast dates and times as indicated in the report.

CBS4 I-TEAM INVESTIGATIONS SPECIAL- A half-hour special broadcast recapping important CBS4 News I-Team investigations. Broadcast dates and times as indicated in the report.

HURRICANE 2010- A half-hour special featuring members of the CBS4 Storm Team that takes a look at important issues that could have an impact on South Florida during this year's tropical storm season. Broadcast dates and times as indicated in the report.
